Virgin 'Pretendolino' Diagrams

The Virgin WB64 'Pretendolino' set will be in regular use on London Euston - Birmingham diagram from Monday 7th December 2009. [Details of the booked workings here](#)

Class 70 dedicated gallery

We now have a dedicated gallery on our [Fotopic site for the Cl.70s](#) with two further photos now added from Carl Watson of 70002 at Stoke Giffard Yard.

Publications and Tracks Back Issues

The [Publications page](#) has been redesigned to make it easier for you to view and order our available books. More books will be added in due course.

Additionally we are now offering a service where both members and non-members can buy back issues of our monthly magazine, *Tracks*. Currently a number of the 2009 issues are available to purchase at £1.25 each to members; £2 to non-members. [Click here](#) for full details.
