Focus on 313s

A brief overview and look at the Class 313/2 units now in service with Southern. Since their displacement from London Overground, 19 units have found a new home on the South Coast working a variety of services between Eastbourne and Portsmouth. [Click here](#) for full article.

European News

Due to personal reasons, Robert (Bob) Brown, has decided to step down from his role as part of the Editorial Team providing European News for the ICRS website. I am very sorry to lose Bob and I would like to personally thank him for his commitment and dedication in providing regular and detailed news reports on the European scene, which I know were of great interest to many of our website visitors.

All European News items from February 2003 to March 2011 are available to download as pdf files along with visit reports from the many trips that Bob has organised over the years.

Loco Enquiry

The Loco Enquiry facility in the Members Area has been removed as the information in the database is now considerably out of date and of little value. For those interested in the current railway scene, our recommended to one of our excellent publications which can be kept up to date via our Tracks magazine.

Publications

We are pleased to announce that our **Irish Railways 2011** book is now in stock and available for dispatch. You can order **Irish Railways 2011** either using PayPal via the link [here](#) or by downloading an order form and returning to ICRS together with your remittance to the address stated.

Farewell Wrexham & Shropshire

Now added to our Features section is a brief history and overview of the operations of Wrexham & Shropshire which ceased trading at the end of January 2011. In addition, we have a special Wrexham & Shropshire gallery on our Flickr site.

Tracks Back Issues

Due to a poor response, the page for purchasing back issues of **Tracks** magazine has been removed from the website. Any existing members who require a back issue of **Tracks** should enquire with the Membership Secretary. Prospective members should click here for details of how to join and download a sample issue of Tracks.

Members Area

The Minutes of the 2010 AGM held on Saturday 16th April 2011 at the Severn Valley Railway in Kidderminster are now available for **ICRS Members** to download - click here
